WHO WE ARE

Believe Big is a non-profit Christian organization founded by Ivelisse and Jimmy Page after her battle with stage IV colon cancer without the use of chemotherapy and remains cancer free today. Since 2011, Believe Big has helped thousands of patients move through the overwhelming process of cancer by bridging the gap between conventional and complementary medicine. Believe Big not only helps patients survive but thrive. Not just physically, but emotionally and spiritually as well.

Last year, Believe Big impacted over 400,000 individuals and it is our goal in the next two years to help 1 million cancer patients retreat, reset, and restore physically, emotionally, and spiritually so that they can live the highest quality of life.

OUR VISION

To see cancer patients and their families discover their pathway to healing.

OUR FOCUS

- Educate individuals on a comprehensive approach to cancer prevention and treatment.
- Connect patients with physicians trained in mistletoe therapy, oncology nutritionists, and the resources necessary to help them advocate for their own health.
- Provide spiritual support to help patients and their families overcome fear and anxiety.
- Overcome cancer with the development of The Believe Big Institute of Health and supporting the ongoing phases of the Mistletoe Clinical Trial in collaboration with The Johns Hopkins University School of Medicine.

PAINT A BELIEVE MUG

What are Believe Mugs?

Believe Big is passionate about encouraging patients and their families to seek God in the midst of their pain. We bring spiritual and emotional refreshment to patients by distributing Believe Mugs that are hand-painted by children and adults within our community. Each beautifully decorated mug contains the "I Will Have No Fear" prayer. Our prayer is that each time a patient uses a mug, he or she is reminded to believe that with God all things are possible, and that people within the community care. With your help we will be able to encourage over 1,000 patients and their families this year!
